Subject: Fate and Transport Modeling Support

Brad, I just received your voicemail. It's great news that Carrie can help us out!!

As a first step, I would like to set up a time early next week for Carrie, Bruce and myself to get together and plan our next steps. You, John, Bob and/or Chip can participate also if warranted. I am imagining this would be a call.

Please let me know when you are available. Once we have met internally, I imagine the next step is to coordinate working with Carl S. and Ray W. with the LWG to figure out what steps need to take place and when.

Thanks, Eric
